## Forklift Driver (m/f/d)

### Description

A structured, conceptual way of working meets a hands-on mentality and a strong sense of team spirit.

This is what makes WHEELS valuable to us, our customers, and partners. Today, we are a leading provider of contract logistics, much more than just a transportation service provider. Whether it's value-added services or IT consulting – we take new paths and constantly realize: there is still a lot of potential in all of us. What potential would you like to uncover as a forklift driver (m/f/d) in a three-shift operation?

### Hiring organization

WHEELS Logistics GmbH & Co. KG

### Employment Type

Full-time

### Job Location

Neugut 1, A-6713, Ludesch

### CHALLENGES THAT YOU TACKLE

- Removing pallets from the production line
- Storing palletized cans
- Loading and unloading trucks
- Unloading empty goods
- Picking customer orders

### QUALIFICATIONS THAT WILL IMPRESS US

- Experience as a forklift driver is an advantage
- Valid forklift certificate required
- Reliable and independent work ethic
- Team-oriented and flexible
- Willingness to work in a three-shift operation

### BENEFITS THAT WILL EXCITE YOU

- As a family-owned company, we offer you a good working environment and modern equipment.
- We stand for punctual, performance-based payment.
- You will take on diverse and exciting tasks, and you will receive comprehensive training.
- We offer a monthly salary of €2,522.35 in accordance with the collective agreement.
