Forklift driver (m/f/d)

Description

Structured-conceptual working meets hands-on mentality and a strong sense of unity. This is what makes WHEELS valuable for us, our customers, and partners. Today, we are a leading provider of contract logistics, much more than a mere transportation service. Whether it's Value Added Services or IT consulting – we explore new paths and repeatedly realize: there's still a lot within all of us. What potential would you like to uncover with us as a forklift driver?

Responsibilities

- You take on operational tasks in the warehouse.
- You load and unload lorries with a forklift truck and ensure that they are transported on time.
- You check incoming and outgoing goods, post them in the warehouse management system and create the necessary documentation.
- You scan with the control unit on the forklift.

Qualifications

- You would like to earn some extra money, e.g. alongside your pension.
- You are an experienced professional in handling a forklift truck.
- You approach your tasks with commitment, enjoy working in a team and your demeanour towards customers and colleagues is competent and friendly.

Job Benefits

- You work on a 520€ euro basis and coordinate your working hours flexibly with us.
- We stand for punctual, fair payment.
- A great team and an exciting job await you at our warehouse location in Magdeburg.
