## Dispatcher (m/f/d)

### Description

Structured-conceptual working meets hands-on mentality and a strong sense of unity. This is what makes WHEELS valuable for us, our customers, and partners. Today, we are a leading provider of contract logistics, much more than a mere transportation service. Whether it's Value Added Services or IT consulting – we explore new paths and repeatedly realize: there's still a lot within all of us. As a Dispatcher (m/f/d), what potential would you like to uncover with us?

### Responsibilities

- In the role of a Dispatcher / Freight Forwarder, you will be responsible for planning and managing full truckload transportation across Europe and overseeing a fleet of vehicles. Your success will be measured by key business indicators.
- You'll monitor the status of transportation orders and respond to any deviations with a customer and company-oriented approach. You will interact with the drivers in your fleet as equals, using your appreciative and assertive approach to motivate them towards top performance.
- Through close communication with customers and business partners, you will collaboratively work in a trustworthy manner, serving as the foundation for a successful and sustainable partnership.

### Qualifications

- You have successfully completed an education in the Transport and Logistics sector.
- Preferably you already have some work experience in the sector, but we can also offer interesting perspectives to newcomers and those just starting their career.
- You have experience in working with common MS office and email applications.
- You enjoy communicating, also in German or English.
